

User:alvinbill

Hi I am currently travelling around the world and have been for a couple of years. I just wanted to get it out of the way before I settled down in life. I have had some great experiences in my time and in the future would love to share with you some of my experiences on my own profile. Make sure you check back from time to time to have a look at my updates or better still PM if you have anything to say. Thanks for reading.
